ETS is committed to serving test takers with disabilities or health-related needs by providing services and reasonable accommodations that are appropriate given the purpose of the test.

Documenting Psychiatric Disabilities - ETS Home

Chapter overview. 2 weeks 'Mixtures' was first introduced in Gr. 6, so learners should already be familiar with these concepts. Learners would have also looked at some of the physical methods of separating different types of mixtures (including hand sorting, sieving, filtration), and this year we will explore some additional methods in more detail (including distillation and chromatography).
