Engineered Bonding Solutions, LLC ACRALOCK by Engineered Bonding Solutions, LLC, are advanced two component methacrylate structural adhesives, designed to bond chemically to most surfaces, providing a permanently locked or integrated assembly of steel, aluminum, engineered plastics, high performance composites and other materials. Engineered Bonding Solutions, LLC is ISO 9001 certified

Acralock | Methacrylate Structural Adhesives

E-Chem is a company specializing in the design, manufacturing, marketing and supply of epoxy polymer products for concrete. E-Chem offers our customers the highest quality products available by utilizing high-end raw materials and strict QC/QA procedures; our products undergo extensive testing and field evaluations.

Echem | Engineered Chemical Solutions for Concrete

HydraTech products can be found in various power plants, generating stations, and State DOT's. There are a variety of applications that can be completed with HydraTech products.

HydraTech LLC - HydraTech

Armacell makes Armaflex®, the most trusted brand in flexible, fiber-free mechanical insulation, and supplies component foams engineered for many industries.

Armacell: Armacell: Armacell North America

THE PRECAST SPECIALIST . Wahl Refractory Solutions has grown to be a recognized leader in the refractory industry, offering an extensive line of refractory precast shapes and castables for the Steel, Aluminum, Cement & Thermoprocessing industries.

Wahl, Wahl Refractory Solutions, Wahl Refractories | Wahl ...

Innovative Solutions, Custom Fabricated Cylinders. If you're looking for a competitive edge in your operations, we can help. Our innovative solutions improve efficiency, reliability, and contribute to safeguarding the high quality of your finished product.

Manufacturer of Industrial Cylinders | Cyclicron, LLC

Parker Hannifin Corporation (PH), the global leader in motion and control technologies, today announced that it has entered into a definitive agreement to acquire LORD Corporation for ...

Parker to Acquire LORD Corporation in Strategic ...

International Equipment Solutions, a KPS active investment, is a global engineered equipment platform serving a wide range of markets.

International Equipment Solutions | KPS Capital Partners

Meritool innovates continuously having been granted many patents in our field - both domestic and international. Meritool has engineered a broad line to meet virtually every dispensing need for both single and dual component cartridges and sausages.

Meritool LLC - Cordless Dispensing solutions - PowerPush

COMPANY OVERVIEW. Wolverine Advanced Materials is a leading developer and manufacturer of high-performance materials. Our core competency is in performance-critical, specialty elastomer-coated metals that offer damping and sealing solutions in the Automotive Brake NVH, and Sealing industries.

Home | Wolverine Advanced Materials

Instructions: Above is an alphabetical list of the raw materials manufacturers whose products are included in the MatWeb database. We include plastics compounders and fabricators of some semi-finished products such as sheet, rod, and tube when the producer supplies us with technical data on their products.

Engineering Materials Manufacturers and Producers

Stronger - Faster - Smarter. A new era has arrived. A construction revolution: strength and quality combined with speed and efficiency. PreBuck technology now offers the strongest, fastest, and smartest construction solutions available today.
