Footnotes. The reader should be aware that words translated from Sanskrit into English have various spellings in different resources. Some words may have an "aa" rather than a single "a" in their spelling (praana vs. prana), and include extra letters like "h" (astanga vs. ashtanga) that would be pronounced in certain dialects.

In Part Two of the Logic Series, The Logic of His Anger: House of Red Lights, numerous female abductees populate a high-end brothel run by an Albanian mobster in south-central Texas. This is a complex story in which multiple women are kidnapped, tortured and broken, and then forced into prostitution for the remainder of their short, brutal lives.

Never mind the documentary record left behind in the declassified documents that anyone can easily find on the Web. Documents that show a long history of concern by senior U.S. officials about airspace violations by objects that appeared - strongly - to defy conventional explanations, and which exhibited characteristics (disk-shape, silence, extreme maneuverability) that are simply not ...
