2. Introduction. As part of the process of the transformation of our country, the ANC had to consider its approach to the difficult but critically important question of what the new South Africa should do with those among our citizens who were involved in gross human rights violations during the struggle for our emancipation.

ANC Submission to the Truth and Reconciliation Commission

1. Introduction. During learning through guided performance, a learner in some way performs the activities to be learned. However, typically the control of these activities is taken over by a more capable person (Wood, Bruner, & Ross, 1976, p. 98; Wood & Wood, 1996, pp. 391-392) who thereby creates a "zone of proximal development". In computer-supported collaborative learning, such a zone ...
