The Association for Academic Surgery is widely recognized as an inclusive surgical organization. The impetus of the membership remains research-based academic surgery, and to promote the shared vision of research and academic pursuits through the exchange of ideas between senior surgical residents, junior faculty and established academic surgical professors.

Animal sacrifice is the ritual killing and offering of an animal usually as part of a religious ritual or to appease or maintain favour with a deity. Animal sacrifices were common throughout Europe and the Ancient Near East until Late Antiquity, and continue in some cultures or religions today. Human sacrifice, where it existed, was always much more rare. ...
