Project Lead The Way provides transformative learning experiences for PreK-12 students and teachers across the U.S. We create an engaging, hands-on classroom environment and empower students to develop in-demand knowledge and skills they need to thrive. We also provide teachers with the training, resources, and support they need to engage students in real-world learning.

A great way to build stronger communities is to start with the young. Getting younger people involved in shared projects can lead to the establishment of community organisations. Sporting and arts groups are a great example of this. There are plenty of drama clubs and groups in regional areas around Australia.
