vi Instructor's Guide to Process-Oriented Guided-Inquiry Learning POGIL can be implemented in a wide variety of ways depending on such factors as the institutional culture, class size, the nature of facilities, and instructor preferences. A few successful models include replacing essentially all lectures with POGIL sessions,7 converting

Instructor's Guide to Process-Oriented Guided-Inquiry Learning

A POGIL activity is designed to be used with self-managed teams that employ the instructor as a facilitator of learning rather than as a source of information. A POGIL activity guides students through an exploration to construct, deepen, refine, and/or integrate understanding of relevant disciplinary content.

POGIL | Home

Some teachers choose to start the term with an activity designed to introduce POGIL. Normally, a POGIL activity leads students to invent or identify a new concept (not to review a concept already presented via lecture or reading). To be useful to other teachers, a POGIL activity should clearly identify prerequisite knowledge.
