My son is 3 and he does all but 10 or so of the items above. I know all children are different and develop at a different rate, but if you spend time with your child every day, read them a story, play with them, and expose them to different environments, they inevitably pick things up.

### **Kindergarten Readiness: 71 Things Your Child Needs to Know**

Due to time constraints in my corner of the world (school started a week ago) I'm gonna have to shelve my typically softspoken online persona and get straight to it. If you'd like to see assessment amount to more than a meaningless exercise in classroom control, if you'd like to see cheating ...

### **The Comprehensive Math Assessment Resource - dy/dan**

One of the issues that many people struggle with is recognising when they're being used, which is when a person avails themselves of something or someone as a means of accomplishing their chief aim. They exploit what they perceive as a vulnerability in order to gain an advantage. While there are instances when it's quite [...]
