As a Generac Authorized dealer, R. G. Behers Electrical Service, Inc. of Bethel Park, PA brings you peace of mind with a full line of reliable Generac products backed by world-class service and support.

R. G. Behers Electrical Service, Inc.

When you purchase a MegaSquirt ® kit, the components typically arrive individually packed, with part numbers. As a result, while you should verify that you have received all you ordered, it is not necessary to identify each item by color, markings, etc.

Assembly Guide - MegaSquirt(R) V3.0 Main Board

Schneider Electric is a leading designer and manufacturer of industrial automation and control solutions. Find here our extensive range of products.

Industrial Automation and Control | Schneider Electric

The most familiar form of switch is a manually operated electromechanical device with one or more sets of electrical contacts, which are connected to external circuits. Each set of contacts can be in one of two states: either "closed" meaning the contacts are touching and electricity can flow between them, or "open", meaning the contacts are separated and the switch is nonconducting.

Switch - Wikipedia

A capacitor is a passive two-terminal electronic component that stores electrical energy in an electric field. The effect of a capacitor is known as capacitance. While some capacitance exists between any two electrical conductors in proximity in a circuit, a capacitor is a component designed to add capacitance to a circuit. The capacitor was originally known as a condenser or condensator.

Capacitor - Wikipedia

G&W Electric, Inc. has recently announced the debut of their new 15kV Trident®-SR with SafeVu™ solid-dielectric switch at DistribuTECH 2018. While on display at the show, attendees can enter booth 1943 to observe the only solid-dielectric magnetically actuated switch on the market with an integral visible break for underground circuits.

Advantages of Electric Fencing ELECTRIC FENCING is an alternative method of fencing which offers you the following benefits: 1. LOW COST An electric fence can perform the same task as a conventional fence

Daken Fencing 07

Here is a color-coded diagram of how these components are located on the printed circuit board: If you have questions about the specification or appearance of any item, check the part number at the Digi-Key site (www.digikey.com) first. Entering the part number in their search engine will give you access to both the catalog information and the data sheet from the manufacturer.
