Conscious Leadership. Conscious leadership is also a characteristic of conscious business and foundational to conscious capitalism. Because the public neither believes nor trusts organizations and their leaders, one can wonder – who are these conscious leaders who work from a place of higher purpose, take on an expanded view to deliver value for all stakeholders, and create conscious cultures?

Population "Control," New World Order Style [Editor's Note: I awakened to the New World Order takeover of planet earth in 1995 after reading Bill Cooper's book, Behold a Pale Horse. Prior to that, I was naively assuming - as most people did at the time (and in earlier decades) - that the information being presented to us by mainstream media and the government were an accurate reflection of ...

Ancient history as a term refers to the aggregate of past events from the beginning of writing and recorded human history and extending as far as the post-classical history. The phrase may be used either to refer to the period of time or the academic discipline. The span of recorded history is roughly 5,000 years, beginning with Sumerian Cuneiform script; the oldest discovered form of coherent ...

The terms Muslim world and Islamic world commonly refer to the Islamic community (Ummah), consisting of all those who adhere to the religion of Islam, or to societies where Islam is practiced. In a modern geopolitical sense, these terms refer to countries where Islam is widespread, although there are no agreed criteria for inclusion. The term Muslim-majority countries is an alternative often used ...
